

# Connection

a wonderful feeling  
two consenting adults  
share when they  
love, trust & respect  
each other.

Consenting Pandas

**11th  
Principle:  
Consent!**

Waiting for  
**FUCK YES!**

# Stalking

when one person  
shows another  
**unconsenting**  
person unwanted,  
unwarranted  
attention.

Oh. And it is  
**illegal**. Don't be  
that panda...
